

Dear St. Alphonsus Parents/Guardians:

December has arrived, bringing with it a season of reflection, celebration, and joy. As we move into the final weeks of 2025, we look forward to the many meaningful activities happening throughout our school. This month provides wonderful opportunities for learning, community-building, and embracing the spirit of the holidays.

As we journey through the season of Advent, students are learning about themes of hope, peace, joy, and love. Many classrooms are engaging in weekly reflections, lighting Advent candles, and taking part in activities that remind us of the importance of kindness and preparing our hearts for Christmas. Please watch for details coming up on our Advent Project this year.

We are delighted to announce our Christmas Concert, taking place on Tuesday, December 9th at 1:00 and 7:00 in the school gym. Our students have been rehearsing with excitement, and we can't wait for them to perform for our school community. The SCC will have raffle tickets to purchase at the door. Thank you to our staff and students for their creativity and hard work in preparing this memorable event.

Our last day before the Christmas break will be December 19th. Classes will resume on January 6th.

We hope your holiday season is filled with warmth, peace, and time spent with loved ones. May the coming weeks bring rest, joy, and many wonderful memories.

From all of us at St. Alphonsus School, we wish your family a joyful Advent, a festive Christmas season, and a happy New Year!

Mr. M. Cristo,
Principal

Mrs. C. Bohn,
Vice-Principal

From the MHCB

As the Christmas season approaches, many people feel the pressure to create a perfect holiday—beautiful gifts, abundant meals, and joyful gatherings. But with the current economic climate tightening household budgets, the usual stressors of the season can feel even heavier. The good news? A meaningful, joyful Christmas doesn't depend on spending power. With mindful planning and realistic expectations, you can navigate the season with less stress and more ease. One way is to try to simplify gift giving.

Cold Weather Guidelines

With winter conditions upon us, please keep these reminders in mind:

-29° C and above: Students are expected to be outdoors at recesses.

-30 to -35° C: Students are encouraged to get fresh air; however, going outside is optional.

-36° C and below: Students will not be allowed outdoors.

- We ask that drivers not do U-Turns in the main intersection in front of the school. This is not safe for our students trying to cross the street.
- Please do not park on the crosswalks in front of the school. Our safety patrol uses these to help our students cross the street safely.
- We ask students not to play on any snowbanks near the alleys or parking lots. We are concerned someone may slip under a parked vehicle. Please be aware of this as a driver and remind your children not to play on snowbanks.
- The alleys along the school grounds may not be cleared right after snowy weather. Please ensure the alleys are cleared before trying to drive down them.
- The two parking lots on either side of the school are for staff only.
